

## **MANAGER, ENVIRONMENTAL PROGRAMS AND ASSESSMENT (Contract up to 18 Months)**

**Metrolinx** is an agency of the Government of Ontario and its goal is to create a transportation network that enhances the prosperity, sustainability and quality of life for the Greater Toronto and Hamilton Area. It leads the planning in the region with its Regional Transportation Plan that guides the work and investments of the organization. It builds light transit, bus rapid transit and GO Expansion and operates GO Transit, UP Express and PRESTO.

Our Environmental Programs and Assessment (EPA) Group is seeking one Manager to lead a variety of environmental initiatives and projects.

### **Key Responsibilities:**

- Oversees various environmental initiatives including the planning and execution of environmental projects, programs, Environmental Assessments (EAs) and studies to facilitate the delivery of corporate initiatives or infrastructure projects such as GO Expansion, Light Rail Transit, and Bus Rapid Transit.
- Provides technical expertise and oversight on environmental initiatives including realty due diligence, oversight of standing agreements with Consultants for emerging works, complex contaminant or regulatory issues associated with soil and groundwater, management of excess soil, obtaining Records of Site Condition (RSC), EAs and other studies.
- Leads a group of technical professional staff to ensure timely delivery of projects and programs, and takes corrective action as required to ensure deliverables are on time and budget.
- Oversees and monitors the appropriate application of environmental regulatory requirements to projects.
- Provides professional guidance and recommendations regarding environmental matters throughout the organization, and communicates policies, procedures and applicable legislation.
- Acts as liaison for key external stakeholders including regulatory bodies and develops relationships with key regulators such as MECP, MNRF, MTCS, CTA, and Conservation Authorities.
- Provides technical guidance on specific studies including contaminant characterization, cultural heritage, etc.
- Reviews tender documents, and reports to provide advice on environmental-related matters.
- Ensures consistency in overall approach for Metrolinx undertakings and application of Regulations such as O.Reg. 153/04, O.Reg. 347, the GO Class EA document, Transit Project Assessment Process and others.
- Assists internal stakeholders and project delivery teams in obtaining permits and other regulatory approvals.

**Location:** 10 Bay Street, Toronto

**File Number:** ENV001R

### **Qualifications:**

- University degree in a related discipline (Environmental Science, Engineering, Planning) and ten (10) years of related experience; P.Eng., RPP, or P.Geo, designation would be considered an asset.
- Demonstrated experience and technical expertise in completion of EAs, and other support studies for infrastructure projects, preferably in the government or transportation sector.
- Sound knowledge of management/project management principles, including budget and schedule controls, leading cross-functional teams and consultants engaged in simultaneous projects.
- Knowledge of Ontario and Canadian regulatory requirements including fields relating to EA process, noise and vibration, air quality, contamination, built heritage, natural heritage (eg. species at risk) and,
- Ability to effectively liaise with regulatory bodies at all levels of government (eg. federal agencies, provincial ministries, Conservation Authorities, municipalities) and other stakeholder groups.
- Excellent human relations skills; ability to work with, and obtain buy in from, various stakeholder groups especially during public and stakeholder engagement during contentious capital undertakings.
- Excellent analytical ability, oral/written communication skills, and negotiation skills.

- Must successfully complete environmental, safety and any other training required by corporate policy.
- Valid driver's license required; must meet and maintain the corporate standard for a good driving record.

To apply for this position, please submit your resume online through the [Current Opportunities](http://www.metrolinx.com/en/aboutus/careers/current_opportunities.aspx) page ([http://www.metrolinx.com/en/aboutus/careers/current\\_opportunities.aspx](http://www.metrolinx.com/en/aboutus/careers/current_opportunities.aspx)) on our website, no later than. **July 04, 2019.**

**Please note that applicants must be legally entitled to work in Canada. Accommodation will be provided throughout the hiring process, as required. Applicants must make their needs known in advance.**

Please be advised, Metrolinx uses email to communicate with their applicants for open job competitions. It is the applicant's responsibility to include an updated email address that is checked daily and accepts emails from unknown users. As we send time sensitive correspondence via email (i.e. testing bookings, interview dates), it is imperative that applicants check their email regularly. If we do not hear back from applicants, we will assume that you are no longer interested in the Job Competition and your application will be removed from the Competition. Please be advised that a Criminal Record Search may be required of the successful candidate. Should it be determined that any background information provided be misleading, inaccurate or incorrect, Metrolinx reserves the right to discontinue with the consideration of your application.

**We thank all applicants for their interest, however, only those selected for further consideration will be contacted.**
